

Please note, only locations and age groups that require multiple teams will have a listed roster. All other players should attend with their location or age group, you are on the roster. If you do not appear on a roster it could be because we didn't have an attendance note from you. Please email Bree, gbenedict@epysa.org so she can add you to a team. All players are encouraged to attend this event!

Please note U16 Boys will be split on Friday at the fields. Due to inconsistencies in the attendance sheet and both teams playing at the same time Friday we will split them there.

Please note due to inconsistencies in attendance we are asking all U15 boys to arrive Friday for the 5pm game (arrive 4:15pm for warmups) and everyone will play in both games. If able we will split the rosters for Saturday or Sunday, if not due to availability we will have one large roster with plenty of subs play in all games for EPA 1 and EPA 2. The boys will be notified by Coach Dodds at the conclusion of the second game Friday night what the plan is. If you are unavailable Friday and will be coming Saturday, please attend the first game Saturday and get further instruction from Coach Dodds. Same applies if you are only attending Sunday, arrive for the first game and get further instruction from Coach Dodds. If you continue to scroll we have listed the roster of players we know to be available for the weekend (not necessarily all weekend). If you are not on the roster, we encourage you to attend still.
