

Scheduling NCS (12U-17U) State Cup Games

The scheduling of all NCS State Cup games (not semi-final or final) must occur before Monday at 5:00 PM of the week the game will be played.

Games must be played on or before the assigned date listed on the schedule. Games can be played on either date of the weekend scheduled. To move the date on a given weekend please review the CHANGING SCHEDULED GAMES instructions.

Any request to move a game beyond the scheduled date must be submitting in writing to Brent Jacquette at bjacquette@epysa.org a minimum of 7 days prior to the scheduled game. Not all requests may be accommodated due to the time sensitive nature of the Competition.

The game must be scheduled and confirmed in GotSport by the deadline above or the Cup Committee reserves the right to schedule the game on behalf of both teams. Failure to schedule by Monday 5:00 PM of that game week will result in a \$25 Fee.

NCS State Cup games take precedence over all other games and competitions.

Eastern Pennsylvania Youth Soccer and the Cup Committee reserve the right to move a single team on to the next round if the opponent cannot play within the required Cup timeline to progress to the next round of the Cup Competition. If this situation arises, a partial refund of fees may be considered based upon the Cup Competition round the removal occurs and how many games the team has played.
