

Scheduling Presidents Cup Game

ALL Presidents Cup Group Play games must be scheduled by Friday March 12, 2021

ALL Group Stage games must played by 8:00pm - Saturday, April 24, 2021

Once a game is entered into GotSport it will be locked (7) days prior to the scheduled kickoff. Games scheduled outside of the 7-day lock can be re-scheduled if both teams agree or circumstances will not allow the game to be played on the original date. See instructions for re-scheduling a Cup Game if outside of the 7-day lock period below.

The Presidents Cup operates by self-scheduling where you can, without any required approval move Group Stage game dates as agreed upon by both teams, IF the game falls outside of the 7-day lock period. IF the game falls inside the 7-day lock, please see the instructions for CHANGING SCHEDULED GAMES.

The game must be scheduled and confirmed in GotSport by each deadline above or the Cup Committee reserves the right to schedule the game on behalf of both teams. Failure to schedule by Monday 5:00 PM of that game week will result in a \$25 Fee.

Presidents Cup games take precedence over all other games and competitions.
