Eastern Pennsylvania Youth Soccer

2027 Eastern Pennsylvania Youth Soccer Indoor State Cup Registration Instructions for Splitting One Team into Two:

If you need to split one team into two, follow these steps:

1. The club must create a second team in their club account
   a. **Example:** If EPYSA 2012G is the team you need to split into two for the Indoor State Cups, create a second team within the club with a different name, e.g., EPYSA 2012G Indoor State Cup.
2. Click on **Club Management** drop-down and select **Teams** from the drop-down list
3. Click the **New Team** button on the right
4. Complete team information, ensuring the competitive level is set as **Travel**
5. Click Save
6. Register this team in the **2027 Eastern Pennsylvania Youth Soccer Indoor State Cup**

Note: You will NOT build a roster for the second team. Please upload your team's Official League Roster and Player Passes for each team. Cross off the players in red that are not on team 1 and upload to the team registration. Do the same for team 2.

Reminder: Players may only play for one team—no exceptions.

If you have any questions, please contact registration@epysa.org.
